Re: The Pinal County Attorney's Office Annual Report on the Adult Deferred Prosecution Program, Fiscal Year 2017-2018

Dear Ms. Ortiz:

Pursuant to A.R.S. §11-362, this report is submitted regarding the Pinal County Attorney's Office Adult Deferred Prosecution (ADP) program.

Pinal County Attorney's Office defers prosecution in cases where low risk defendants, who have been charged with non-violent crimes, participate in the ADP program. Prior to July 26, 2018, all ADP cases were supervised by Corrective Solutions. Beginning July 26, 2017, the Pinal County Attorney's Office ceased utilizing Corrective Solutions and regained full oversight and administration of the ADP program. Therefore, we were only able to retrieve data from July 26, 2017 through June 30, 2018.

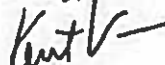

Defendants that participate in the ADP program complete community service, pay restitution if required, report to counselors, and attend counseling sessions, if necessary. Defendants who successfully complete all requirements of the program will have their charges dismissed.

The individuals participating in the program during the fiscal year July 1, 2017 through June 30, 2018 are as follows:

51	Total felony cases enrolled
21	Total felony successfully completed
18	Total felony cases pending
373	Total misdemeanor cases enrolled
146	Total misdemeanor cases successfully completed
197	Total misdemeanor cases pending

Please feel free to contact me should you have any questions.

Sincerely,

Kent Volkmer
Pinal County Attorney
